

# ENVIRONMENTAL RESOURCE INVENTORY

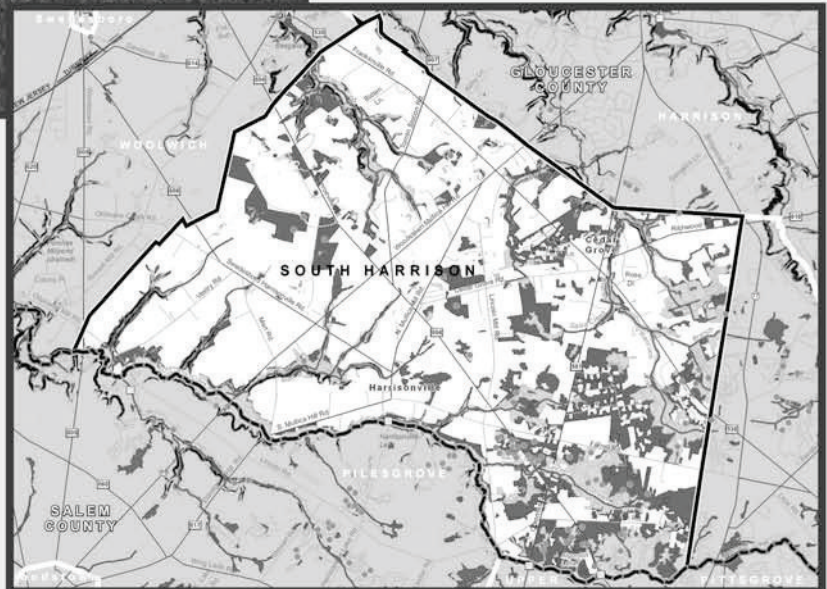

for the **TOWNSHIP** of

# SOUTH HARRISON

GLOUCESTER COUNTY, NEW JERSEY

prepared by:

Delaware Valley  
Regional Planning  
Commission

with:

The Environmental  
Commission of  
South Harrison Township

2008

The Delaware Valley Regional Planning Commission is dedicated to uniting the region's elected officials, planning professionals and the public with a common vision of making a great region even greater. Shaping the way we live, work and play, DVRPC builds consensus on improving transportation, promoting smart growth, protecting the environment and enhancing the economy. We serve a diverse region of nine counties: Bucks, Chester, Delaware, Montgomery, and Philadelphia in Pennsylvania; and Burlington, Camden, Gloucester, and Mercer in New Jersey. DVRPC is the federally designated Metropolitan Planning Organization for the Greater Philadelphia Region – leading the way to a better future.

Our logo is adapted from the official DVRPC seal, and is designed as a stylized image of the Delaware Valley. The outer ring symbolizes the region as a whole, while the diagonal bar signifies the Delaware River. The two adjoining crescents represent the Commonwealth of Pennsylvania and the State of New Jersey

DVRPC fully complies with Title VI of the Civil Rights Act of 1964 and related statutes and regulations in all programs and activities. DVRPC'S WEBSITE MAY BE TRANSLATED INTO Spanish, Russian, and Traditional Chinese online by visiting [www.dvrpc.org](http://www.dvrpc.org). Publication and other public documents can be made available in alternative languages or formats, if requested. For more information, please call (215) 238-2871.

This report was funded by the Association of New Jersey Environmental Commissions (ANJEC) Smart Growth Assistance Grant Program, supported by the Geraldine R. Dodge Foundation, by DVRPC, and by the Township of South Harrison.
