

**SOUTH HARRISON TOWNSHIP
GLOUCESTER COUNTY**

**RESOLUTION OPPOSING THE PLACEMENT OF A COUNTY GUN
RANGE WITHIN THE BORDERS OF SOUTH HARRISON**

WHEREAS, the Township of South Harrison Committee has received notice that the Township of South Harrison, at an area at or about the location of the Gloucester County Landfill, is being considered as a potential site for the placement of a countywide gun range; and

WHEREAS, it is the Committee's understanding that this gun range would be for the purposes of qualifying various law enforcement agencies including the Gloucester County Sheriff's Department, C.I.T., and the police departments of local municipalities at least twice per year; and

WHEREAS, it is believed that the use of this facility would cause an increased burden upon the residents of the Township of South Harrison in terms of the noise that would be generated during usage of the range; and

WHEREAS, the Township Committee recognizes the importance of having a gun range for law enforcement officers to qualify but, the Township is already burdened with the use of a substantial portion of its property as a County landfill; and

WHEREAS, for the health, safety and welfare of the residents of the Township of South Harrison, the Township Committee does not believe it would be in the best interest of the residents to have such a gun range located in the Township of South Harrison, at any location.

NOW, THEREFORE, BE IT RESOLVED, by the Township Committee of the Township of South Harrison, County of Gloucester and State of New Jersey, that the South Harrison Township Committee hereby opposes the placement of any gun range by the County of Gloucester any place within the Township of South Harrison and asks that the County Board of Chosen Freeholders consider this opposition prior to making any decision regarding the placement of any such range within the County of Gloucester.

This resolution was adopted at a regular meeting of the Township Committee on October 15, 2008 and shall take effect immediately.
