**NOTES:**

(1) The fees set forth on the Schedules for towing rates are the maximum charges that shall apply to a motor vehicle for basic towing service.

(2) The towing rates shall be calculated based on the total distance traveled from the tow vehicle's base of service to the job site and return by way of the shortest available route. Fractions shall be rounded up to the nearest whole mile.

(3) Tow vehicles transporting multiple motor vehicles at one time may charge the applicable fee for each such vehicle transported.

(4) When towing services are otherwise required, the day rate shall apply when the vehicle was transported (pickup and delivery) entirely between the hours of 8:00 a.m. and 6:00 p.m., Monday through Friday, except New Jersey State holidays. The night, weekend and holiday rates shall otherwise apply.

(5) The Chief of Police shall post fees available to the public, during normal business hours along with a copy of this Chapter and the Fee Schedules of licensed towing operators.
